Not only do our customers enjoy the best hire rates available, but also the confidence of knowing that all vehicles are safety checked and operated within OFSTED guidelines.

Whether your group is large or small we'll find you the perfect travel solution. With over 30 Mini-buses and three 67-seater coaches available, we can accommodate your travel needs.

Mini-buses can be supplied with or without a driver. Our coaches are supplied with drivers and unlimited mileage. MCT drivers are qualified and have been checked and vetted through the CRB system. As MCT is a community-based organisation, our drivers are always on hand to help-out, should passengers need assistance with access.

Community Groups

Community Groups enjoy privileged discounts with MCT. We understand that unfunded groups and charitable organisations need special support and so we offer our biggest discounts to these customers.

No matter how large or small your group, MCT has a vehicle to suit. We also offer free MiDAS basic training to **community groups**. The cost of training is offset against the first few bookings.

Disabled Access

At MCT we believe in "Travel for all," so most of our vehicles provide for disabled access and are fitted with passenger lifts. Our friendly drivers are fully qualified and experienced in transporting passengers with special needs and are ready to help if assistance is needed. We also have volunteer Passenger Assistants who are on-hand to ensure the comfort and safety of all our disabled customers.

Special Needs Customers

We have a unique understanding of our Special Needs customers. Our drivers and Passenger Assistants have extensive experience in this field and are fully aware of the patience and care necessary when transporting people with learning disabilities and restrictive physical disabilities.

Hire Costs

Our hire costs are based on rental fees and mileage and start from as little as £28 for a 4-hour rental, with the first 20 miles included. Rates can be further discounted for unfunded groups.

Free Driver Training

MiDAS basic training is completely free for community group drivers hiring one of our Mini-buses. However, there are now new laws governing Mini-bus drivers, meaning that some paid drivers may no longer be qualified to drive without additional training. Call MCT to check if you or your driver is qualified, as this can affect your insurance cover.

In addition to Basic MiDAS we offer the full range of Advanced MiDAS courses, PAT's Assistant Training, D1 PCV training and MPV courses at extremely competitive rates.
